Dear Mr. Turner:

This letter is in appreciation to you for building our custom home located on Sunrise Drive, Petersburg, West Virginia.

You and your employees/subcontractors are very professional and provide excellent customer service--you listened carefully to our questions, concerns, and preferences, and you did whatever we asked.

The workmanship in this home is excellent; this has been expressed by everyone who has gone through the home.

In conclusion, it has been a pleasure to work with you and your employees/subcontractors to make our "dream home" a reality.

Sincerely,

  
Harold E. Rohrbaugh
